Open Access
This journal is a peer-reviewed, subsidized open-access journal where the Chinese Medical Association pays for the publishing costs incurred by the journal.

Publication Charge to Authors
Starting from 1 January 2019, authors of accepted articles will be charged a publication fee of US$500 (NT$15000) for all articles (except for invited articles and editorials). The Journal will bear the cost of publication for articles of 8 printed pages or less for Original Articles. Authors will be charged US$100 (NT$3000) per extra page. Authors will also be charged a flat fee of US$300 (NT$9000) per article if it contains any figures and/or tables in color for print.

User Rights
All articles published open access will be immediately and permanently free for everyone to read, download, copy and distribute. Permitted reuse is defined by the following user license:
Creative Commons Attribution-NonCommercial-NoDerivs (CC BY-NC-ND)—for non-commercial purposes, lets others distribute and copy the article, and to include in a collective work (such as an anthology), as long as they credit the author(s) and provided they do not alter or modify the article.

Copyright Information
Submission of a manuscript implies:
• that the work described has not been previously published (except in the form of an abstract);
• that it is not under consideration for publication elsewhere;
• that it has been approved by all co-authors, if any, as well as by the responsible authorities at the institute where the work was carried out;
• that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of copyright to the Chinese Medical Association;
• that the manuscript will not be published elsewhere in any language without consent from Wolters Kluwer and the Chinese Medical Association;
• that written permission has been obtained by the authors from the copyright holders of material used from other copyrighted sources.

All articles published in the JCMA are protected by copyright, which covers the exclusive rights to reproduce and distribute the article, as well as translation rights. No part of this publication may be reproduced, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, by photocopying, recording, or otherwise, without prior written permission from Wolters Kluwer and the Chinese Medical Association.

Disclaimer
While the advice and information in this journal are believed to be true and accurate at the date of it going to press, the authors, the Chinese Medical Association, and the Publisher, cannot accept any legal responsibility for any errors or omissions that may be made. They make no warranty, express or implied, with respect to material contained herein. The opinions expressed in this journal belong to the authors and do not necessarily reflect the opinions of the Chinese Medical Association and the Publisher.
