Transportation

Since Yang-Ming University is situated on a hillside, a shuttle bus system was installed to transport passengers between Yang-Ming's main campus, the Veterans General Hospital, downtown Shih-Pai and a local Metropolitan Rapid Transit station. The Tamouli Line of the Rapid Transit System and a dozen public transportation routes provide convenient urban transportation. If you take the Tamouli Line of the RTS, leave at Shih-Pai Station and take school shuttle bus at the corner of the street just across to the Shih-Pai Station. The shuttle bus stop is located by the OK convenience store.
